#### **Annual Mayor's Dinner - Sold Out Third Year In A Row!**

The Annual Mayor's Dinner was a huge success with over 250 attendees energetically networked over cocktails and hors d'oeuvres prior to dinner. Mayor Justin Altmann reviewed with us the Town's Economic Development Plans for the upcoming year. There was a special presentation by Judy Pfeifer. Chief Communications & Public Affairs Officer of Metrolinx, who shared with us the plans that Metrolinx has for improvements to the Stouffville Line GO Transit service.

Matthew Roncadin

Chairman

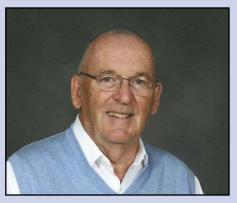

#### 39th AGM Elects New Board

Marketing **Danny Huang** Past Chairman (TD Canada Trust) **Rick Upton** Council Rep (R World)

#### **Business News**

Congratulations to Matthew Roncadin on his election to Chairman of the Board of Directors for the Stouffville Chamber of Commerce at the recent AGM. Please see article on this page for AGM details and the full board of directors listing.

The Chamber takes some credit for advocating for Members on downtown parking improvements, increase in marketing budget for economic development, cancellation of proposal to tax health benefit premiums as income and the announced reduction in Hydro costs. This is your Chamber working for you.

## Networking Breakfast / York Region Budget 2017

The February 10th Budget Breakfast/ Networking Event had a great turnout! The Chairman and CEO of the Regional Municipality of York, Wayne Emmerson, was joined by senior staff and gave a presentation that highlighted the Region's achievements in 2016, details of the 2017 Regional Budget, initiatives to support and attract business to York Region and Regional Council's priorities going forward. Thank you to Wayne Emmerson and staff for a great presentation and to Meadowbrook Golf Club for the terrific buffet breakfast.

#### **Advocacy Updates**

The Chamber devotes time to advocate for and against various government policies that have relevance to our Members' businesses.

We are happy to report that we played a key role in amending the Town's recent downtown parking changes to alleviate the costly implications for downtown businesses.

Similarly, we were successful in persuading Town Council to add \$35,000 to the Economic Development Budget to promote Stouffville as an ideal municipality for clean technology or other suitable industries to locate.

The Chamber, as part of the Ontario network of Ontario Chambers of Commerce, is pleased that the Government listened and has announced a 17 % reduction in Hydro costs to be added to the 8% reduction announced earlier. The same network applied pressure on the Federal government to drop the proposal to tax health benefits paid for employees by employers.

The victories outlined above are value adds for Chamber Members. The Chamber is always on the watch to advocate for Members and your business interests. It is this advocacy that requires us to become a stronger and more influential voice. As we grow we have greater impact.

## The Stouffville Chamber Membership Update

Two years ago the Chamber was an association of 225 Members. I am pleased to report that as of March 31 our roster has exceeded 250 business members. This growth is symbolic of the growth that Stouffville industry is experiencing but it is remarkable compared to so many other Chambers who are experiencing a membership decline.

The Stouffville industrial, commercial, professional and retail components are made up of primarily small enterprises. Small enterprise as defined by 10 or less employees. This is a dynamic that bodes well for business growth, which the Chamber fosters. Our Membership has grown by 20 new members thus far in 2017.

If you have business contacts in Stouffville or who conduct business in Stouffville, who are not Members of the Chamber, it behooves you to encourage them to join. The Chamber is more valuable to each individual Member if we are larger.
