

Chamber of Commerce/Esso Mobil Fuel Program

Chamber of Commerce & Imperial Oil are pleased to offer the Chamber of Commerce/Esso Mobil Fuel Program providing each Chamber of Commerce member in Canada a fuel discount and the convenience of the Esso Mobil branded retail fuel network across Canada.

The program offers each Chamber of Commerce member in Canada a **3.5** cent per litre (cpl) fuel discount on all gasoline & diesel fuel purchases at all Esso & Mobil branded retail locations across Canada. The fuel discount is provided on your Esso Mobil Business Fuel Card Account monthly billing, not at the point of sale. Each Chamber of Commerce member needs to complete the attached Chamber of Commerce/Esso Mobil Business Fuel Card application and submit it by email to the program coordinator. Upon credit approval, each Chamber of Commerce member will be billed directly to the address stated on the application and all payments are the direct responsibility of each Chamber of Commerce member. The enrolment process and account set up takes approximately 2 weeks.

Any Chamber of Commerce member with an existing Esso Mobil Business Fuel Card must still complete and submit the attached Chamber of Commerce/Mobil Business Fuel Card Account application to enrol onto this fuel program. This will ensure each Chamber member is set up correctly.
